Custom plush is a popular and fun way to bring your concept to life. Our custom plush manufacturing service is perfect for character artists, book authors, organizations, promotions, team mascots, fund raisers, video game developers, OEM and the sky is the limit. We specialize in bulk orders, small runs and one of a kind creations. We take your concept / design and bring it to life in three easy steps:

1. **Design** - Answer a few questions about your design and submit your drawings and photos.
2. **Quote & Prototype** - Have a consultation with our custom plush expert for a quote and place a sample prototype order.
3. **Production** - Review your physical prototype and place a production order.

Turn Your Concept Into A Reality!

The Concept

The Reality!

Adorable World has been in the plush industry for over 20 years! During this time we have worked with many businesses such as NBC Universal, Sea World, ZOOs, hospitals and museums across the country. Not only have we worked with major businesses but also independent authors, publishers, and charities. Adorable World prides itself in creating high quality plush at affordable low prices. While other companies have high minimum order quantities, we are able to keep our MOQs low because we are a factory direct supplier.

Custom Manufacturing For Business, Promotions, Souvenirs, & Special Occasions

Bring your concept to life with our expert custom plush toy and stuffed animal manufacturing services. We specialize in bulk orders, small runs and one of a kind creations. Unlike other custom plush services we are a high quality plush manufacture with are own full service factory that has been producing quality products for over 20 years. We take your concept / design and bring it to life in three easy steps:

Step 1. Design

Complete our online quote form. Answer a few questions about your design and submit you drawings and photos.

Don't have artwork?

No worries, a free design will be provided to match your vision.

Step 2. Quote & Prototype

One of our helpful sales plush experts will contact you right away to ensure that we have all the needed information to proceed and quote your project accurately.

Order a prototype of your custom design for only \$395; this fee will be applied towards the cost of your order as long as it's 500 pieces and above!

Step 3. Production

The production will be started right away once the prototype has been inspected and approved by you.

It's just that easy!
